Table 1. Relative abundance of mite species on marjoram plants during the period from Jan. 2003 to Dec. 2003 in Fayoum

| Months |  | Phytophago |  | Predaceous |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
|  | $T$. urticae | E. orientalis | $B$. obovatus | E. scutalis | $A$. cydnodactylon | $A$. longispinosus | H. bakeri | $S$. bifurcate | $A$. exsertus |
| January | 10 |  |  |  |  |  |  |  |  |
| February | 9 |  |  |  |  |  |  |  |  |
| March | 41 |  |  |  | 2 |  |  |  |  |
| April | 33 |  |  | 3 | 7 | 2 |  |  |  |
| May | 99 |  |  |  | 3 |  |  | 2 |  |
| June | 7 |  | 3 | 2 | 5 |  |  | 6 |  |
| July | 8 |  |  |  | 7 |  | 1 |  |  |
| August | 9 |  |  | 1 |  | 2 |  |  |  |
| September | 92 |  |  |  | 2 |  | 2 |  |  |
| October | 12 |  |  | 4 | 12 | 2 | 10 | 7 |  |
| November | 9 | 3 |  |  | 6 |  | 8 | 10 | 2 |
| December | 21 |  |  |  | 4 | 2 | 22 |  | 2 |

Table 2. Relative abundance of mite species on marjoram plants during the period from Jan. 2004 to Dec. 2004 in Fayoum

Table 3. Relative abundance of mite species on chamomile plants during two growing seasons 2003 and 2004 in Fayoum

| Mont hs | Phytophagous |  |  |  | Predaceous |  |  |  | Other feeding habits |  |  |  |  |  |  |  |  |
